ASQ – CONSENT FORM

The Ages & Stages Questionnaires® (ASQ®) are used to screen young children ages 1 month to 6 years to help determine if their development is on schedule—or if further evaluation may be needed. ASQ also helps parents, together with providers, learn more about a child's strengths and areas that may need support.

The first 5 years of life are very important foryour child because this time sets the stage for success in school and later life. During infancy and early childhood, your child will gain many experiences and learn many skills. It is important to ensure that each child's development proceeds well during this period.

Please read the text below and mark the desired space to indicate whether you will participate in thescreening/monitoring program.

☐ I have read the information provided about the Ages & Stages Questionnaires Third Edition (ASQ-3)and ASQ-SE and I wish to have my child participate in the screening/monitoring program.

☐ I would like to administer the ASQ-3 and/or the ASQ-SE at home with my child.

☐ I do not wish to participate in the screening/monitoring program. I have read the provided informationabout the Ages and Stages Questionnaires, Third Edition (ASQ-3) and understand the purpose of this program.
